Experience

UX/UI Designer | Manatal

Bangkok, Thailand
April 2021 – Present

Collaboratively gather and assess user requirements, create design concepts, develop UI elements, and address UX issues while presenting drafts and making adjustments based on feedback.

UX/UI Designer | Optimail

Bangkok, Thailand
May 2018 – April 2021

Design branding elements, user experiences, and responsive interfaces using various tools like Photoshop, Sketch, Zeplin, and InVision, translating requirements into elegant solutions and adhering to design guidelines and specifications.

Web and Graphic Designer | Spunky Digital

Bangkok, Thailand
Jun 2017 – Jun 2018

Developing content for clients in web and graphic design, including planning and creating responsive website layouts, branding, logos, and online and offline advertising materials.

Intern | Phosworks Digital Ideas

Uppsala, Sweden
Jan 2017 – Apr 2017

Collaborate with an international company, conducting branding research, client presentations, and mood board creation, retouching VR images, designing websites and interfaces, color grading photos, recording/editing videos, taking photos, designing mobile app UX/UI, estimating project hours, and creating branding, banners, and print ads.
